“Making disciples of Jesus through God’s Word and a Christ-centered curriculum”

WISCONSIN EVANGELICAL LUTHERAN SYNOD

Dear Parents/Care Givers,

We are already looking ahead to the 2018-2019 school year! We are also looking forward to having your child(ren) in our school, and sharing with them the love of Jesus each day in keeping with our school's mission.

On the back of this document is a checklist for you to follow as you fill out the registration forms. If the Free/Reduced meal application is not currently included, it will be coming when the updated version is available from the Nutrition Services website. Feel free to contact us with any questions or concerns.
